

## Meeting Minutes

Date: 17/10/2020

Time: 11:00 am

Coordinator: Prof. Rohit Sharma

### **Agenda:**

1. To enhance the infrastructure cum services related to e-services.
2. To take more initiatives in order to enhance the strength of students.
3. To extend the domain of various scholarship cells to aware the students about different scholarships.

IQAC observe that due to corona pandemic studies of the students are affected very badly. So it is the need of the hour to workout more on IT Infrastructure and services to cater the future needs of the students. IQAC suggested appointing a committee under Prof. Navpreet Singh to carry forward this idea.

IQAC observe that due to the current pandemic and economic scenario in the country which shows lack of employment opportunities as well as loss of income sources many young children are not able to take admissions in colleges and this situation decrease the number of students in higher education system. So, in order to increase the strength, IQAC suggested to appoint one campaign committee. The members of this committee will go to different schools in the adjoining areas to aware the students about the programmes run in the college and different facilities providing by the institution.

IQAC observe that due to corona pandemic two aspects of the life of people are badly affected known as health and wealth so IQAC Suggest that the more students should be made aware about the different scholarships issued by center and state governments so that students can take benefits from these schemes and improve their existing circumstances. So various scholarship cells are advised to work in desired area.
