

Meeting Minutes

Date: 13 Sept, 2016

Time: 12:00 P.M.

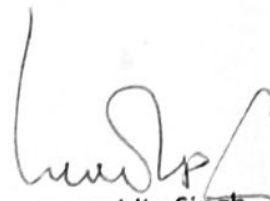

Coordinator: Dr. Kuldip Singh

Agenda: Introduction of new post-graduation courses in the near future.

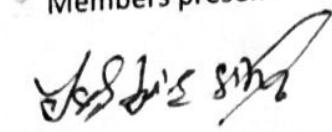

On the findings of analysis review by feedback form committee & admission committee, IQAC cell observed that our institution has a need to introduce more post-graduation degree courses. As in the feedback review, many students from the final semesters of different classes especially girls want to do post-graduation in English & History (from Humanities Group). But as they belong to rural areas, they have little access to University campus and colleges situated in urban area. If the institution give them this opportunity it will not only beneficial to improve its admission strength but also its objective fulfillment of quality education enhancement & the all-round development of girls on every front.

So, it was decided in this meeting that in the coming meeting with the members of IQAC, the cell put forward the suggestion to introduce specifically these two post-graduation degree courses in the college.
