Meeting Minutes

Date: 15/06/2022

Time: 11:00 am

Coordinator: Prof. Rohit Sharma

Agenda:

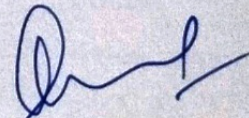

1. To construct a separate space for the college transportation.
2. To organize placement drives and job fairs.
3. To construct hardware lab for computer science students.

IQAC observe that there should be a proper space for college transportation/buses as the area where the buses are parked now is not sufficient in space as well as during monsoon sometimes students face problems to access the buses due to it slippery surface. So the cell proposed that there should be a separate and proper space for college buses.

IQAC observe that already there is a lack of employment opportunities for students in this region so the cell proposed that college placement cell should organize placement drives and job fairs in upcoming session to improve this scenario.

IQAC observe that CS department is facing an issue in conducting practical for hardware subjects as their lab is not constructed up to the suitable environment so the cell proposed to construct a hardware lab for CS department.
