

"Swachta Hi Sewa"

Our NSS Deptt does the activities as per the directions of the Punjab Government. Our NSS Deptt got a letter on the part of Punjab Government in order to accomplish activities from Sep 15 to Oct 2, 2023. Our NSS Deptt did some activities in connection with "Swachta Hi Sewa" — a campaign assigned by DPT office of Punjab Government and details of these activities are as under —

1. Lecture was delivered on waste Management.

A lecture was organised on the topic of "waste Management". The students of college were sensitised and enlightened about waste such as fruit and vegetable waste (ii) e-waste in order to reuse and recycle these things for welfare of mankind. Such wastage can play a vital role in the fertility of soil and this waste make our soil fertile and nutritious. In this kind of waste

maintain or conserve the fertility of our. Even students were familiarised how farm burning is harmful to our health and atmosphere, so they should avoid burning farm or remnants of ~~crop~~ harvested crops.

Moreover ^{how} E-waste can be used to transform into another way that is also very productive to our society. So we all have to learn the management of waste things so that we can make the best use of it in one way or the other.

It was also emphasized ~~on not on on~~ not using chemicals and plastic bags - Instead of using plastic bags, we must use cotton bags. So that is why our college has initiated a tradition of providing cotton bags to all our chief guests in order to spread a message ~~for~~ of using cotton-made things which never pollute our environment.

How Solar ~~panels~~ / Electrical vehicles or CNG / LPG ~~are~~ are making

Valuable and helpful contribution to
our lives.
