Importance of NSS in Students' life Beautification of College Campus.

On the onset of NSS camp students or NSS volunteers were made aware of inception of NSS Organization and its functioning in the educational institutions. These educational institutions ensure the participation of NSS volunteers in social activities and responsibilities. NSS units in all institutions act from college level to national levels. NSS volunteers are engaged in number of social activities such as cleanliness drive, plantation, awareness among general masses about social evils, environmental problems and other social welfare schemes in order to build up their social character. In this way they are ~~made~~ prepared for social and noble cause.

In addition to it we made our students participate in the beautification of college campus. Our volunteers wholeheartedly cleaned entire campus and erected the fallen plants in all gardens. These activities definitely help them clean not only their houses but also streets. On this first day our entire team was present. Among the teachers Prof. Tarprey J. M., Prof. Ravinder Kaur, Prof. Hardeep were also present there.
