Blood Donation Camp

Our NSS deptt organised a blood donation camp dated on Sep 20, 2022 for humanity sake in collaboration with Bhagat Puran Committee, Pathi, Panitaram. Our volunteers donated blood units for solidarity and joined the efforts to save humanity. In addition to our volunteers, our faculty and clerical members also donated their blood in order to infuse a feeling of fraternity among our students. Our esteemed Principal motivated students for this noble cause and asked them to be ready for those who are suffering with severe diseases and are in dire need of blood. Man can serve man only. The medical officers also expressed a vote of thanks to all donors and gave away consolation prizes to our donors. Our college was also given a certificate of appreciation for blood donation. Our respected Principal thanked entire medical team for their co-operation in organising camp to inspire our students for this noble activity.
